COMPANY PROFILE

2025-2026

Sourcing. Supplying. Delivering.

ICT | Facilities | Infrastructure | Training | Office Solutions | Electrical Technology

01. ABOUT US

Crash Investments (Pty) Ltd, trading as MySystems, is a proudly South African, 100% black-owned SMME incorporated in 2018. Over the past six years, the organisation has evolved from a lean start-up into a multidisciplinary procurement, supply, and logistics group serving both public-sector entities and private corporations across Gauteng and beyond.

Our strategic intent is to build a diversified group of businesses that operates across multiple industry verticals —positioning specialist subsidiary capabilities wherever demand exists, while maintaining the agility and personal accountability of an owner-managed enterprise. We are intentional about growing through skills transfer, supplier development, and the progressive formalisation of each business unit as it matures.

Our principal has over 18 years of cross-industry experience spanning ICT hardware supply, software, network infrastructure, electrical components, facilities management, driver instruction, décor hire, catering, printing, and learning material development. This breadth allows Crash Investments to engage credibly across sectors, identify procurement needs early, and execute with precision.

02. VISION, MISSION & VALUES

VISION

To be a leading South African supply and solutions group — recognised for reliability, transformation, and innovation across every industry we serve.

MISSION

To source, supply, and deliver quality goods and services efficiently — while creating employment, developing skills, and advancing emerging black-owned enterprises.

VALUES

Integrity | Accountability |
Quality | Transformation |
Innovation

03. OUR SERVICES PORTFOLIO

Crash Investments operates across a broad spectrum of supply and services categories. Our model leverages vetted partner networks, import capabilities (SARS import licence), and ICASA-licensed subcontractors to deliver end-to-end solutions.

ICT Hardware Supply

Desktops, laptops, servers, networking devices, CCTV, NaTIS hardware, printers, scanners, fingerprint devices, barcode scanners, tablets, kiosks, UPS units, cabling (Krone/Netconnect, Molex, CAT6, Fibre).

Network Infrastructure

CAT5 to CAT6 and Fibre-Optic upgrade and installation, structured cabling, patch panels, managed switches, wireless access points, cabinet, firewall appliances, VPN configuration.

Software, Licensing & Applications

Supply and renewal of software licences (VPN, antivirus, ERP, NaTIS applications), desktop and server OS, application deployment, support and maintenance.

Electrical & Building Technology

Electrical components, gate motor systems, access control, CCTV installation, intercom systems, and security infrastructure.

Stationery & Office Consumables

Generic and private-label stationery, printer consumables (toner, ink), office supplies, branded materials, and print media production.

Water & Facilities Management

Water dispenser rental and maintenance, bottled water supply (18,9L refills and customised smaller quantity bottles), cleaning materials and equipment, hygiene consumables.

Corporate Relocation & Storage

Office relocation project management, furniture transportation, temporary storage, and asset tracking — executed in partnership with accredited logistics partners.

Training, Assessment & Development

Learnership support, learning material development, SETA-aligned facilitation, assessor and moderator services, driver instruction, and workplace skills planning.

04. TRACK RECORD & EXPERIENCE FOOTPRINT

Since inception in 2018, Crash Investments has built a proven delivery record across government entities and private-sector organisations. We have been contracted as a panel service provider to the Road Traffic Management Corporation (RTMC) — one of South Africa's largest transport agencies — supplying IT equipment, consumables, and network infrastructure from 2020 to date, followed by the Workshop Electronics – training material, desktops and ICT network hardware supply.

CLIENT / ENTITY	NATURE OF SERVICE	PERIOD	Type	STATUS
Workshop Electronics (brakes.co.za)	Desktops, printers, network components, NaTIS & VPN software — via their supplier development programme to provincial clientele	2018 – present	Ongoing	Active

Gauteng Dept. of Transport – g-Fleet	Cleaning Service Material/Consumables	2023	Once-off	Completed
Energy & Water SETA (EWSETA)	Furniture Relocation	2022	Once-off	Completed
Road Traffic Management Corporation (RTMC)	Water Dispenser Rental, Water Refill Supply & Deliveries and Bottled Water.	2023 – 2026	Panel	Completed
Housing Company Tshwane	Office relocation & storage (subcontracted), electrical components, gate motor supply	2025	Once-off	Completed
SNJ, Kagiso, Eyethu & Golden Roadworthy Centres	Printer Rental, Toner & RTS Printing Paper Supply	2018- present	Ongoing	Active
Moko Group	Grocery & Catering Services, Water Dispenser, Refill & Bottled Water Supply	2024 - present	Ongoing	Active

05. KEY PERSONNEL & CONTRACTED SPECIALISTS

Crash Investments maintains a core management team supplemented by a vetted pool of contracted specialists engaged on a project basis. This model ensures that the organisation can right-size its technical capacity to the scope of each contract without the overhead of a large permanent headcount.

Mmolotsane Medupe — Account Manager / Senior Executive

Qualifications: National Diploma: Accounting (major in Accounting & Auditing); CompTIA A+; CompTIA N+; Assessor & Moderator (ETDP SETA); Application Developer

Experience: 18+ years across ICT hardware supply, software deployment, network infrastructure, driver instruction, décor and catering services, printing media, learning material development, and business management. Hands-on involvement in all client engagements from lead generation through to final delivery.

Scope of Role: Strategic direction, client relationship management, bid compliance, supplier negotiation, contract oversight, and final accountability for delivery quality. Serves as the primary Account Manager for all contracted engagements.

Brent Raswiswi — Contracted Service Manager / Senior Infrastructure Specialist

Qualifications: MCSE (Private Cloud 2012, SharePoint 2013); MCSA (Server 2012); Microsoft Azure Administrator Associate; Microsoft 365 Enterprise Administrator Expert; Microsoft 365 Teams Associate; MCP ID 10204201

Experience: 18 years in enterprise IT infrastructure. Current role: Infrastructure & Systems Engineer, Zakheni ICT (resource at EWSETA) — Sept 2021 to present. Previous: EOH (STANLIB Virtualisation), SITA (Dept. of Human Settlements & Defence), Datacentrix, JICHO Consulting (Dept. of Justice).

Scope of Role: Acts as contracted Service Manager on ICT supply and infrastructure projects. Oversees technical delivery, infrastructure configuration, DR planning, FortiGate/FortiNAC security, Azure/Hyper-V virtualisation, Veeam backup, SharePoint, and M365 environments. Available on a project basis.

Fulufhelo Ramoloko — Contracted Service Agent / IT Support Specialist

Qualifications: National Diploma: ICT (PC Training & Business College); CompTIA A+, N+, S+ (CSIS & CIOS); MCSA Cloud Platform; Microsoft Azure Fundamentals; MCP; NQF Level 5 System Support; Cyber Security CC (ISC²); SAP SuccessFactors; Digital Marketing (Mancosa)

Experience: 10+ years in IT service delivery. Current role: Senior Service Desk Analyst, Nexio Pty Ltd (resource at RTT Logistics) — 2022 to present. Previous: Transnet Freight Rail (Regional Field Service Engineer), Sanlam (Remote Support Engineer), Gijima Technology People (Team Leader & IT Support).

Scope of Role: Delivers first- and second-level IT support, field service, hardware installation, software configuration, Office 365/Teams support, and client-facing troubleshooting. Available as a contracted service agent on project assignments.

06. OUR GROUP VISION

Crash Investments is in active transition from a single-entity SMME to a diversified group structure. Each service vertical we have successfully delivered forms the foundation for a specialist subsidiary — allowing us to serve clients comprehensively while building focused, bankable entities within the group.

CRASH INVESTMENTS GROUP — ENVISIONED STRUCTURE

Crash ICT Solutions — ICT hardware, software, network infrastructure, NaTIS & government IT supply

Crash Facilities & Water — Water dispensers, bottled water, cleaning, facilities management, relocation

Crash Electrical & Security — Electrical components, gate motors, access control, CCTV, security systems

Crash Print & Media — Stationery, print media, branded materials, learning content production

Crash Training Academy — Assessor/moderator services, learnerships, driver instruction, workplace skills

Crash Logistics & Procurement — Import, warehousing, last-mile delivery, supplier development for SMMEs

This architecture ensures that as we win and execute contracts, we are simultaneously building the human capital, supplier relationships, and balance sheet strength required for each entity to eventually operate and tender independently — advancing our commitment to broad-based economic transformation.

07. SELECTED CLIENTS & PARTNERS

Road Traffic Management Corporation (RTMC)	Gauteng Department of Transport — g-Fleet	Energy & Water SETA (EWSETA)
Workshop Electronics (brakes.co.za) Supplier Development Partner since 2018	Gumela Projects Mentorship & Strategic Partner	Private Corporate Clients Facilities & Relocation Services
Moko Group	Housing Company Tshwane	Various Vehicle Testing Station

Note: Workshop Electronics (brakes.co.za) enrolled Crash Investments into their Supplier Development Programme in 2018 — the year of our incorporation. This relationship has been instrumental in formalising our procurement processes and expanding our ICT hardware and software supply capabilities, including NaTIS and VPN application deployment.
